Walter Allan:
I recently had a long telephone conversation with Jim Haxby concerning some numismatic research I am doing and he suggested I get in contact with you. I would like to talk to you by telephone at your convenience and would appreciate your number and a convenient time for me to telephone you.
If you prefer to telephone me my telephone number is 314 727 0850 and I am available almost any time before 7 PM any day. Cordially Eric P. Newman .
